Hello Parents and Welcome to The Tree of Life VBS, a place where children will learn about God's plan of salvation and redemption for our sins.

Our theme focuses on how God keeps his promises with His people. Each day the children will learn what it means to be a child of God. They will spend each day learning another aspect of Our Lord's plan to bring us back into fellowship with Him, starting at the Beginning!

The Beginning of Our Story, begins at the beginning. It starts in the Garden of Eden. Here the children will learn about the beauty of God's creation and the devastation of sin. They will also learn of God's plan of salvation from the beginning.

The Passover Lamb tells of the Passover and how God saved His people through the blood of a Lamb. They also hear of how Jesus is the Lamb that will save us forever!

The Baptism of Jesus demonstrates God's love for us through His grace at the waters of Baptism.

God's Plan is Completed tells how, through Jesus death on the cross and His resurrection from the dead, we, too, can have eternal life, and live with Him forever.

... and finally, The End of Our Story where the children learn about the kingdom of Heaven, Jesus' return and eternal life with Him.

We are looking forward, with anticipation, to meeting you and your child(ren) and are planning a fun time for all in a loving and "Spirit-filled" environment. The morning will be filled with Bible stories, games, recreation, music, crafts and of course snacks! (Please make sure that you inform us of any food allergies on the registration form.)

The hours will be from 9:00 AM to 11:30 AM. To ensure that there will be someone available to care for your child, we ask that you do not drop him/her off prior to 8:45 or leave him/her later than 11:45. There is an opening and a closing each day. Please feel free to join your child(ren) for those activities.

Following the closing each day your child(ren) will be dismissed to your care or that of the person designated in writing to transport your child(ren). Please understand that this is for the safety of your child. You will also be requested to come into the sanctuary where your child will be waiting for you with their teacher.

On Friday, August 5 at 11:00 AM, we are planning to have a brief closing program. It will consist of a few songs from VBS sung by the children, distribution of certificates of participation. The program should end by 11:30 AM. We hope that you make arrangements to attend along with your family and your friends. All are welcome.

Our VBS program is open to all children from Preschool age 3 & 4 (**must be potty trained**) through 6th grade (Sept. 2022). There is **no charge** for the program. There will be a donation box in the narthex for contributions, and we will be taking a free will offering at the closing program.

If you are able, and have some time that you would like to volunteer to assist please contact the church office or email me at cmoser0404@myfairpoint.net.

Registration forms may be mailed or emailed to the church. If you have any questions or concerns that have not been answered in this letter, feel free to contact me by email or at (603-899-9499).

Yours in Christ Jesus,

Special Instructions for Parents of Preschoolers:

Your child must be potty trained and able to use the bathroom unaided. By law, we are not allowed to assist your child with bathroom issues and must remain outside the door while the child uses the bathroom. You are welcomed to spend the morning with your child, if he/she is not quite able to accomplish this task on his/her own and you would like them to participate.

We are requesting that parents of preschoolers provide a labeled zip-lock bag with a change of clothing just in case we have a bathroom “accident”. Again, we will not be able to change your child. He/she must be capable of this task on his/her own.

For the parents of children in other Preschool programs, please understand, that this is not Preschool. It is Vacation Bible School, so the format may be different than what you are used to and there will be children of other ages in attendance.

I have read and understand the requirements for my Preschooler to attend Vacation Bible School.
